

Fact Sheet

August 2017

WHERE THE MONEY GOES:

Gambling Revenues in British Columbia

In fiscal 2016/17, BCLC delivered \$1.339 billion in net income to the Province of British Columbia. BCLC's net income contribution is a vital portion of the provincial budget which helps fund health care, education and important services and programs across the province. For more than 32 years, BCLC has generated more than \$20 billion in net income to fund provincial, municipal and charitable programs in B.C.

Revenues:

DISTRIBUTION	2016/17
Total net income	\$1,339.0 million
Distribution to Government of Canada	9.6 million
Distribution to Government of B.C.	907.7 million
Health Special Account	147.2 million
Charitable and community organizations	134.8 million
Host local governments	96.8 million
Gaming Policy and Enforcement Branch	13.8 million
Horse racing purse enhancements	11.7 million
Local Economic Development Initiatives	11.6 million
Responsible Gambling strategies	5.8 million

Host Local Governments:

- The Province shares gaming revenue with local governments that host casinos and community gaming centres in B.C.
- The calculations for these payments are done in accordance with the Host Financial Assistance Agreement between the Province of B.C. and each local government.
- \$96.8 million was disbursed among 32 Host Local Governments (HLG). These host governments decide how to allocate resources.
- Municipalities that host gaming facilities receive a 10 per cent share of net gaming income which is paid after commissions and BCLC operating expenses are deducted. HLG payments can fluctuate based on local market conditions, variations in operating costs and accounting adjustments.

Fact Sheet

Support of Community Programs – Community Gaming Grants:
