- Odds of winning the top prize are 1 in 13,348,188 per \$3 play.
- Odds of winning the second prize are 1 in 2,224,698 per \$3 play.

HAS A PRIZE BEEN CLAIMED YET?

- Winners have 52 weeks from the draw date printed on their ticket to claim their prize.
- Often winners are not aware they hold a winning ticket until days or weeks after a draw.
- Winners often talk to a financial advisor or take time to gain perspective while it sinks in before coming forward to claim their prize.

NEED MORE INFO?

- The exact location where a winning lottery ticket was purchased is only announced after the winner has come forward to claim their prize.
- The name of the lottery winner may be released only after we have verified the prize claim.
- Once a player leaves a BCLC office after claiming their prize, we do not give out their contact information for additional interviews.
- Overall, B.C. gets its fair share of winners. The percentage of lottery sales in B.C. is in line with the percentage of winners in B.C.
