

1. RULES AND REGULATIONS

PULL TAB is governed by the Rules and Regulations Respecting Lotteries and Gaming of the British Columbia Lottery Corporation ("**BCLC**") which include limitations of liability and are available from BCLC upon request.

2. ISSUANCE OF TICKETS

To participate, a person pays the authorized retailer the amount printed on the selected PULL TAB ticket, or inserts into a gaming machine the amount displayed on the gaming machine whereupon a ticket will then be issued showing the game name, the prize legend showing the Winning Selections, number of prizes per category and prize amount(s), Bonus Prize(s) if applicable, playing instructions/directions, game number and other relevant information. The number of PULL TAB tickets per PULL TAB game and the types of PULL TAB games that may be issued and/or distributed is unlimited and within the sole and absolute discretion of BCLC.

3. RESULTS

A predetermined number of PULL TAB winning and non-winning tickets are contained in a game supplied by BCLC to an authorized retailer. Additional prizes may be randomly available ("**Bonus Prizes**"). The PULL TAB tickets within that game are identified with the same game number and game name. Games that offer Bonus Prizes are marked. On the back of each ticket are three (3) or more tabs (windows) that when opened or removed reveal symbols or prize amounts that when matched as indicated by the instructions on the ticket to the prize legend showing the Winning Selections, wins a prize(s).

4. WINNING SELECTIONS

The symbols, numbers, prize amounts or other markings uncovered after opening or removing the tabs (windows) on the back of the ticket must exactly match the Winning Selections in the prize legend on the face of each such ticket and must conform to the playing instructions/directions on the face of each such ticket.

5. WINNING TICKET

Any valid ticket bearing Winning Selections identified in Section 4 is a Winning Ticket and entitles its holder(s) to claim from the authorized retailer, for each Winning Selection, a prize corresponding to the prize legend listed on the face of that ticket. Any valid ticket bearing the specific Winning Selection identified in Section 4 as a Bonus Prize is a Winning Ticket. Bonus Prizes must be claimed directly from BCLC.

6. PRIZES

The prizes available to be won vary for each PULL TAB game. The prize legend showing the Winning Selection on the face of each PULL TAB ticket includes the prize categories and the number of prizes per category. Bonus Prizes are randomly distributed in applicable games. BCLC reserves the right to substitute a vehicle prize, a trip prize, experiential prize, chance prize or a merchandise prize with one of equal or greater value or offer a cash alternative prize in lieu of a vehicle prize, trip prize, experiential or merchandise prize.

7. PRIZE CLAIM

Prizes must be accepted as awarded and must be claimed, except Bonus Prizes, from the authorized retailer, who sold the Winning Ticket and must be claimed within the time specified as posted at that selling retailer's premises.

Bonus Prizes must be claimed directly from BCLC in the manner stated on the ticket.

8. LIMITATIONS

Each PULL TAB game is printed containing a predetermined number of winning and non-winning tickets except Bonus Prizes which are randomly distributed. The prizes within each PULL TAB game diminish as awarded and at the time of purchase some or all of the prizes offered by the PULL TAB game may have already been won.

Payment of all prizes on Winning Tickets with exception of the Bonus Prizes is the responsibility of the authorized retailer who sold the Winning Ticket to the player.

All Winning Tickets are subject to validation before payment.

9. EXPIRATION of BONUS PRIZING

Bonus Prize Pull Tabs must be claimed prior to the expiry date as announced by BCLC. Expired tickets are void.
