

British Columbia Lottery Corporation is authorized by the Government of British Columbia as its sole agent to conduct, manage and operate lottery schemes pursuant to the *Gaming Control Act* (BC).

The Rules and Regulations apply to all Playnow Sports Betting unless otherwise stated in the Game Conditions.

DEFINITIONS

1. In these Rules and Regulations:

- (a) "All-in play" means bets having odds reflecting that the competitor may not play or take part in the event. If the Selection does not play or take part in the event, the bet stands as a non-winner;
- (b) "Corporation" means British Columbia Lottery Corporation;
- (c) "Dead Heat" means an outcome where two or more competitors are tied for the same position (e.g. 3-way tie for 2nd place in a golf tournament). Dead Heat associated bets are settled with a Dead Heat Reduction;
- (d) "Dead Heat Reduction" means the calculation required to reallocate payout in the case of a Dead Heat. This is calculated by dividing the wager amount proportionally by the number of competitors involved in the Dead Heat;
- (e) "Game Conditions" means the instructions, information, prize entitlements, descriptions, explanations, guides or qualifications established by the Corporation;
- (f) "Internet Gaming System" means the central computer system of the Corporation, or any computer system managed or operated under the authority of the Corporation, to record gaming transactions, including any computer utilized by the Corporation in the operation of Internet gaming;
- (g) "Non-Starter" means a participant or competitor in an event who does not participate;
- (h) "Non-Starter No Bet" means, where the Selection is a Non-Starter, the Selection is void and the wager will be returned;
- (i) "Non-Starter Deduction Rule" means the deduction applied to a winning bet on an event offered on a 'Non-Starter No Bet' basis where a different competitor (not the one selected by the Player as part of the winning bet) is for any reason withdrawn, suspended or disqualified in that event;
- (j) "Odds" means the ratio of an expected outcome for a PlayNow Sports Betting selection. Odds are dynamic and are subject to change or removal without prior notice;
- (k) "Player" means an individual who has been issued an account that has not been closed;
- (l) "PlayNow Sports Betting" means lottery schemes within the meaning of the Criminal Code offered by the Corporation through the Internet Gaming System under the heading of "SPORTS" and conducted, managed and operated by the government of British Columbia through the Corporation, either alone or in cooperation with other persons authorized to conduct, manage or operate lottery schemes, which may include novelty event betting;
- (m) "Prize" means a sum of money, merchandise, property, service or any benefit to which a winner is entitled;
- (n) "Resettlement" or "Resettle" may occur when there is an error or a change in Result causing a change to Settlement as determined by the Corporation in its sole discretion;
- (o) "Result" means the outcome of a Selection at the time of Settlement as determined by the governing body or otherwise verified by the Corporation;

- (p) "Selection" means an outcome with associated odds relating to an event. Selections are dynamic and are subject to change or removal without prior notice.
- (q) "Settlement" means the Result has been entered into the Internet Gaming System to determine eligibility for a Prize;
- (r) "Ticket" means a ticket, certificate, or other instrument (including an electronic transaction) as defined as a lottery ticket under the *Gaming Control Act* (BC), authorized for sale by the Corporation and is not cancelled or void; and
- (s) "wager" and "bet" have the meaning commonly assigned to them and are used interchangeably in both these Rules and Regulations and the PlayNow Sports Betting Game Conditions.

ACCEPTANCE OF BETS

2. The Corporation may at all times and at its discretion refuse to allow any person to wager on PlayNow Sports Betting or limit the amount that may be wagered.
3. Any bet not recorded by the Corporation in the Internet Gaming System or lost as a result of a computer failure or otherwise is void and shall not in any case entitle the Player to a Prize.
4. If any Ticket bears entries that differ from the entries which are recorded in the Internet Gaming System, then such Ticket shall not be void, but shall conclusively be deemed to bear the entries which are so recorded in the Internet Gaming System.

LATE BETS

5. With the exception of betting that occurs while an event is in progress, bets are accepted up to the cut-off time determined by the Corporation. Any bet accepted after the cut-off time or after betting has closed, or at a stage where the Player could have an indication of the outcome, will be settled in accordance with Section 17 herein as applicable.
6. Bets placed on a Selection after the Result for that Selection is determined will be void. For a parlay bet where one (or more) picks have been deemed void and there remains at least one non-void pick within the original parlay, those void picks will be reassigned odds of 1.00 and the bet will stand. For bets in which all picks have been deemed void, the Player's wager on those bets will be returned.
7. The time that the Corporation determines the event to have started will govern settlement of all bets.
8. Any dispute over the time a bet was placed (and subsequent odds) shall conclusively be deemed to have been placed at the time recorded in the Corporation's Internet Gaming System.

RESULTS & SETTLEMENT

9. Bets are settled on the first official result published by the governing body or as otherwise verified by the Corporation. After Settlement, any subsequent corrections or amendments by the governing body to the result will not apply. Except in the case where a Resettlement occurs, the Corporation will not change a Result.
10. The Corporation reserves the right to apply a Dead Heat Reduction on any applicable Result.

NON-STARTERS

11. Bets are accepted on a Non-Starter No Bet basis unless stated otherwise. The Non-Starter Deduction Rule is applied to winnings exclusive of wager amount in accordance with the table below. In cases where more than one competitor doesn't participate, the total deduction will not exceed \$0.90 on \$1.00. Non-Starter Deductions only apply to bets made prior to any revision of the odds as a consequence of the Non-Starter.

13. If a competitor is withdrawn prior to the start of an event and such competitor is part of a parlay bet, the associated Selection is void and the remaining bet will stand.
14. If a competitor has taken any part in the event once it has started and then withdraws for any reason, the Corporation reserves the right to settle the bet as a non-winner.
15. Certain bets will be offered on an '*All-in play*' basis. In these instances, if a competitor is withdrawn for any reason before they have taken part in the event, then that bet is a non-winner.
16. Bets placed on events that remain undecided or incomplete (or without a Result) will become void.

ERRORS

17. Where an error is made, including on the odds, spreads, or index offered on any event, the Corporation reserves the right to correct such error, including, at the Corporations's sole discretion:
 - (a) to Settle or Resettle a bet with odds corrected to the time at which the bet was placed, or
