PlayNow Pools Game Conditions

Pool Entry

To participate in a Pool, a Player must pay the entrance fee (where required) for that Pool as outlined in the applicable Pool Terms and Conditions and submit a Card for that Pool including selecting a Pick for each listed Event. Sports freebets/tokens cannot be used for PlayNow Pools entries. Players may purchase and submit more than one Card per Pool subject to maximum entry limits that may be established in the applicable Pool Terms and Conditions. The Player must select one Pick from each Event on the Card for a valid entry. Once a Player has submitted their Card and received a Ticket, the Player cannot alter or change their Picks. Where the Corporation determines that a Player entered a Pool after an Event in that Pool commenced, the Corporation reserves the right to void that Pool entry.

Number of Picks

The number of Events and subsequent Picks required per Card may vary per Pool and will be determined by the Corporation.

Correct Picks

Subject to the applicable Pools Terms and Conditions, a correct Pick will be determined by the Corporation with reference to the PlayNow Sports Betting Rules and Regulations and PlayNow Sports Betting Game Conditions that are applicable to the Settlement of the Pick in question as determined by the Corporation. Picks are settled on the official result published by the governing body or as otherwise verified by the Corporation. After Settlement of a Pool and corresponding payment of the Prize Pool by the Corporation when applicable, any subsequent corrections or amendments by the governing body to the result will not be applicable.

Where the Corporation determines that an error was made, including on the Pool Terms and Conditions, a Pool Card, or in the settlement of a Pool, then the Corporation reserves the right to: correct such error and settle, or Resettle, the Pool with the error corrected; or to settle or Resettle the Pool with all Picks for Events the Corporation deems affected by the error as a correct Pick.

Ties

In the occurrence of a tie result on any Event whereby neither available Selection for that Event is the correct result (i.e. a Tie result is not offered as a Selection) the outcome of all Selections for that Event will be settled as a correct Pick unless stated otherwise in the Pool Terms and Conditions.

Determining Winners

Winners will be determined by the Corporation with reference to the criteria set out in the Pool Terms and Conditions subject to the conditions set out above for determining correct Picks.

Event Postponement, Cancellation, or Void Events

If the Corporation determines an Event has been cancelled or postponed or where the Corporation would otherwise have the right to treat an Event as void, the Corporation reserves the right to settle the Pool with all Picks for such cancelled or postponed Events settled as a correct Pick or alternatively to void all Tickets on that Pool.

Where there is evidence or suspicion of illegal or fraudulent activity, or of rigging or fixing of an Event within a Pool, the Corporation may declare Picks or Tickets on such Events or Pools void in addition to its rights set out in the PlayNow Sports Betting Game Conditions dealing with fraud or suspicious activity, event rigging or fixing.

For clarity, if the start time for an Event within a Pool is changed by the official governing body within the same calendar day as the previous listed start time, either prior to or after the Pool Closing Time, submitted Cards will remain valid.

Pool C) in accordance with Pool B's Terms and Conditions, or failing that, the Prize Pool for Pool A will be paid out by the Corporation to players in proportion to their contribution to the Prize Pool for Pool A.
