PAYMENT OF PRIZES

After a player has declared “BINGO” a bingo game shall be closed and the prize awarded only after other winners (if any) have been identified in accordance with the standards, policies and procedures implemented by BCLC for the verification of winners and after it has been verified that each potential winner has a valid bingo card or valid bingo ticket, as the case may be.

16. Players may be required by BCLC to produce a proof of purchase of the winning bingo card, winning bingo ticket or electronic bingo slip, as the case may be, before any prize shall be paid.

19. Except where the prize is money, BCLC or if authorized by BCLC the bingo service provider may, in its sole discretion, substitute for any prize
   a. the cash equivalent of BCLC’s cost of such prize; or

by such other date or within such other period as may be specified on the bingo card, bingo paper, bingo ticket or electronic bingo slip or as may be announced to the public by BCLC, whichever is the latest.

21. No claim or right of action exists against BCLC for a prize or share of a prize in a bingo game which may be lost as a result of any failure to stop the bingo game for any reason whatsoever before the next bingo number is drawn and called.

22. No claim for a prize in a bingo game may be made by a person who has not satisfied the applicable bingo game conditions before the time BCLC or, where authorized, the bingo service provider on behalf of BCLC has declared that the bingo game or the relevant portion thereof has been closed.

23. In the event of any dispute with regard to a prize, BCLC may pay or deliver the prize or evidence of entitlement thereto to a court of competent jurisdiction pending the determination of the dispute by that court.

24. A person who makes a claim for a prize is conclusively deemed to represent and warrant to BCLC and the bingo service provider to be lawfully entitled to receive such prize, and such representation and warranty shall survive the awarding of the prize.
