GENERATING WIN-WINS

IN DELTA

Since opening in September 2022, the new Cascades Casino Delta has generated more than **\$1.1 million** in provincial gambling revenue that will be invested by the City of Delta to support a variety of community initiatives. A portion of the funds will be used to enhance parks and recreation infrastructure and other key priorities.

PLAYER HEALTH GAME BREAK

It's important to take breaks when gambling. It's a way to pause and regain perspective. However, when it becomes harder to fit in breaks and gambling just doesn't seem fun anymore, BCLC's Game Break program can be the first step towards getting help.

In January 2023, BCLC launched Game Break, a reconceptualized self-exclusion program with an active reinstatement process that strives to reduce stigma and empower individuals to make the right choices for themselves.

When a Game Break term is completed, individuals take part in an online program that encourages self-reflection and awareness before they return to gambling, if they choose to at all. If they are not ready, they have the option to extend their break.
