GENERATING WIN-WINS

IN KAMLOOPS

In 2022, the City of Kamloops allocated its share of provincial gambling revenue from hosting Chances Kamloops and Cascades Casino Kamloops to improve Hillside Stadium Field. Work was started to replace the existing outdoor running track with a new world class competitive surface that will provide a unique opportunity for athletic training and competing in Kamloops. Provincial gambling revenue is funding 40% of this \$2.5 million investment with a planned completion date in 2023.

Host Local Government revenue will also assist with a replacement of Albert McGowan water park. This neighbourhood hub, which is very popular with city residents, will benefit from the replacement of this 20-year-old amenity as it will be updated to a modern standard of inclusivity.

PLAYER HEALTH GAME BREAK

It's important to take breaks when gambling. It's a way to pause and regain perspective. However, when it becomes harder to fit in breaks and gambling just doesn't seem fun anymore, BCLC's Game Break program can be the first step towards getting help.

In January 2023, BCLC launched Game Break, a reconceptualized self-exclusion program with an active reinstatement process that strives to reduce stigma and empower individuals to make the right choices for themselves.

When a Game Break term is completed, individuals take part in an online program that encourages self-reflection and awareness before they return to gambling, if they choose to at all. If they are not ready, they have the option to extend their break.
