GENERATING WIN-WINS

IN PORT ALBERNI

In 2022, the City of Port Alberni allocated a portion of its provincial gambling revenue from hosting RimRock Casino to its Community Investment Program, which provided assistance to 41 non-profit community organizations, events and programs that improve the quality of life for residents. One of the events that received support was the annual Alberni District Fall Fair, which celebrated its belated 75th anniversary in 2022 after being delayed as a result of the pandemic. Families from all over the Alberni Valley flocked to the event to enjoy the midway, livestock, and entertainment.

The Community Investment Program also helped support Special Olympics BC, cold weather supports and pop-up warming centres for unhoused individuals, as well as Pride celebrations.

PLAYER HEALTH GAME BREAK

It's important to take breaks when gambling. It's a way to pause and regain perspective. However, when it becomes harder to fit in breaks and gambling just doesn't seem fun anymore, BCLC's Game Break program can be the first step towards getting help.

In January 2023, BCLC launched Game Break, a reconceptualized self-exclusion program with an active reinstatement process that strives to reduce stigma and empower individuals to make the right choices for themselves.

When a Game Break term is completed, individuals take part in an online program that encourages self-reflection and awareness before they return to gambling, if they choose to at all. If they are not ready, they have the option to extend their break.
