GENERATING WIN-WINS

IN PRINCE GEORGE

In 2022, the City of Prince George allocated \$164,236 of provincial gambling revenue from hosting Treasure Cove Casino to support the 2022 World Women's Curling Championship. Teams from 13 countries competed in the event. Nearly 35,000 spectators and 4.7 million viewers on TV saw the Swiss team take gold, while Canada took silver and South Korea took home third place.

Host Local Government revenue funded a number of other sporting events in Prince George, like the 2022 Native Fastball Championship, BC Summer Games, and more.

Funds also supported IT capital investment projects, catch basin and stormwater infrastructure upgrades, and City of Prince George welcome signs along the highway.

GAME BREAK

It's important to take breaks when gambling. It's a way to pause and regain perspective. However, when it becomes harder to fit in breaks and gambling just doesn't seem fun anymore, BCLC's Game Break program can be the first step towards getting help.

In January 2023, BCLC launched Game Break, a reconceptualized self-exclusion program with an active reinstatement process that strives to reduce stigma and empower individuals to make the right choices for themselves.

When a Game Break term is completed, individuals take part in an online program that encourages self-reflection and awareness before they return to gambling, if they choose to at all. If they are not ready, they have the option to extend their break.
