**BCLC'S
SOCIAL PURPOSE**

BCLC exists to generate win-wins for the greater good. We generate win-wins by asking our employees, partners, and government stakeholders to continually evaluate the impacts of all activities and decisions on individuals, institutions, communities and the planet. Motivated by our social purpose, every step we take is guided by our purpose and vision to 'revolutionize gambling entertainment through engaging experiences that build and benefit communities.'

**BCLC'S COMMITMENT
TO RECONCILIATION**

Our operations span the entirety of the province that we now call British Columbia. We respectfully acknowledge that we are guests in the territories of more than 200 First Nations, each with unique traditions, cultures, and histories. We are grateful to these First Nations caretakers for their stewardship of these lands and waters since time immemorial.

BCLC is committed to establishing and maintaining good relations with all First Nations, Métis, and Inuit people in British Columbia and beyond. Our journey has only recently begun, and we have a lot of work to do in collaboration with Indigenous Peoples to understand the Truth, reconcile the past, and truly generate win-wins for the greater good, together.

COQUITLAM BENEFITS

In 2023, the City of Coquitlam used a portion of its share of provincial gambling revenue generated at Great Canadian Casino Vancouver to provide grants to local non-profit and community-based organizations.

The Spirit of Coquitlam Grant program helps these organizations host events, offer support programs, purchase equipment and realize capital projects to advance community initiatives that benefit local residents.

Last year, this program helped fund equipment for Coastal Partners in Conversation to monitor species at risk in Coquitlam parks, radio equipment for Coquitlam Amateur Radio Emergency Services Society to enhance emergency response and outdoor equipment for youth programs with Scouts Canada.
