**BCLC'S
SOCIAL PURPOSE**

BCLC exists to generate win-wins for the greater good. We generate win-wins by asking our employees, partners, and government stakeholders to continually evaluate the impacts of all activities and decisions on individuals, institutions, communities and the planet. Motivated by our social purpose, every step we take is guided by our purpose and vision to 'revolutionize gambling entertainment through engaging experiences that build and benefit communities.'

**BCLC'S COMMITMENT
TO RECONCILIATION**

Our operations span the entirety of the province that we now call British Columbia. We respectfully acknowledge that we are guests in the territories of more than 200 First Nations, each with unique traditions, cultures, and histories. We are grateful to these First Nations caretakers for their stewardship of these lands and waters since time immemorial.

BCLC is committed to establishing and maintaining good relations with all First Nations, Métis, and Inuit people in British Columbia and beyond. Our journey has only recently begun, and we have a lot of work to do in collaboration with Indigenous Peoples to understand the Truth, reconcile the past, and truly generate win-wins for the greater good, together.

SPONSORSHIP

WILDFIRE SUPPORT

The team at Chances Dawson Creek stepped up for local families after devastating wildfires broke out across parts of British Columbia and local residents were ordered to evacuate their homes. With all hands on deck, Chances Dawson Creek team members volunteered before and after their shifts in order to prepare and serve meals for 200+ people in need at the Ovintiv Event Centre. To ensure there was no waste, leftovers were delivered to a nearby community agency, the Nawican Friendship Centre.
