**BCLC'S  
SOCIAL PURPOSE**

BCLC exists to generate win-wins for the greater good. We generate win-wins by asking our employees, partners, and government stakeholders to continually evaluate the impacts of all activities and decisions on individuals, institutions, communities and the planet. Motivated by our social purpose, every step we take is guided by our purpose and vision to 'revolutionize gambling entertainment through engaging experiences that build and benefit communities.'

**BCLC'S COMMITMENT  
TO RECONCILIATION**

Our operations span the entirety of the province that we now call British Columbia. We respectfully acknowledge that we are guests in the territories of more than 200 First Nations, each with unique traditions, cultures, and histories. We are grateful to these First Nations caretakers for their stewardship of these lands and waters since time immemorial.

BCLC is committed to establishing and maintaining good relations with all First Nations, Métis, and Inuit people in British Columbia and beyond. Our journey has only recently begun, and we have a lot of work to do in collaboration with Indigenous Peoples to understand the Truth, reconcile the past, and truly generate win-wins for the greater good, together.

# DELTA BENEFITS

Since opening in September 2022, the new Cascades Casino Delta has generated more than \$2.8 million in provincial gambling revenue that will be invested by the City of Delta to support a variety of community initiatives.

Among the City's key priorities, potential opportunities for this revenue include revitalization projects for Ladner Village and enhancements to local trails.

Thanks to those who have visited and enjoyed the new facility, Cascades Casino Delta has had a strong performance since its opening. The Delta community will continue to benefit from the revenue it generates for many years to come.
