**BCLC'S
SOCIAL PURPOSE**

BCLC exists to generate win-wins for the greater good. We generate win-wins by asking our employees, partners, and government stakeholders to continually evaluate the impacts of all activities and decisions on individuals, institutions, communities and the planet. Motivated by our social purpose, every step we take is guided by our purpose and vision to 'revolutionize gambling entertainment through engaging experiences that build and benefit communities.'

**BCLC'S COMMITMENT
TO RECONCILIATION**

Our operations span the entirety of the province that we now call British Columbia. We respectfully acknowledge that we are guests in the territories of more than 200 First Nations, each with unique traditions, cultures, and histories. We are grateful to these First Nations caretakers for their stewardship of these lands and waters since time immemorial.

BCLC is committed to establishing and maintaining good relations with all First Nations, Métis, and Inuit people in British Columbia and beyond. Our journey has only recently begun, and we have a lot of work to do in collaboration with Indigenous Peoples to understand the Truth, reconcile the past, and truly generate win-wins for the greater good, together.

SPONSORSHIP

LANGLEY SENIOR RESOURCE SOCIETY

Cascades Casino Langley, in collaboration with GatewayGIVES, is proud to support the Langley Senior Resource Society (LSRS) as they recover from devastating flooding caused by this year's below average winter temperatures. With the community's generous support and a matching contribution from GatewayGIVES, LSRS received a \$10,000 donation.

Langley Senior Resource Society plays a crucial role in the community, offering essential services, companionship, and resources to our seniors.

LANGLEY BENEFITS

The City of Langley used a portion of its share of provincial gambling revenue generated at Cascades Casino Langley to support various community initiatives

In 2023, the City of Langley allocated \$6 million toward strategic land acquisitions to provide more space for vital equipment and enable replacements of infrastructure to seismic standards. Another \$1.4 million was allocated to water and sewer projects, allowing the City to replace aging infrastructure and increase capacity as it plans for future densification around the upcoming Skytrain developments.

LOCAL IMPACT

In August 2023, Cascades Casino Langley completed their \$25,000 commitment to support the new Doug and Fran MacDonald Langley Hospice Residence. This 15-bed facility provides a home-like environment in keeping with the hospice philosophy, and their ongoing commitment to ensure care and support for individuals, their families and friends as they face this final journey. The pledge went directly to supporting the build and outfitting of the Family Comfort Care space: a space steps away from their loved ones that provides personal care necessities, entertainment items, and beverages to help family members during their stay at the residence.
