**BCLC'S
SOCIAL PURPOSE**

BCLC exists to generate win-wins for the greater good. We generate win-wins by asking our employees, partners, and government stakeholders to continually evaluate the impacts of all activities and decisions on individuals, institutions, communities and the planet. Motivated by our social purpose, every step we take is guided by our purpose and vision to 'revolutionize gambling entertainment through engaging experiences that build and benefit communities.'

**BCLC'S COMMITMENT
TO RECONCILIATION**

Our operations span the entirety of the province that we now call British Columbia. We respectfully acknowledge that we are guests in the territories of more than 200 First Nations, each with unique traditions, cultures, and histories. We are grateful to these First Nations caretakers for their stewardship of these lands and waters since time immemorial.

BCLC is committed to establishing and maintaining good relations with all First Nations, Métis, and Inuit people in British Columbia and beyond. Our journey has only recently begun, and we have a lot of work to do in collaboration with Indigenous Peoples to understand the Truth, reconcile the past, and truly generate win-wins for the greater good, together.

SPONSORSHIP

NANAIMO BLUES FESTIVAL

In August 2023, BCLC proudly sponsored the Nanaimo Blues Festival, a beloved annual music festival put on by the Nanaimo Blues Society. Community members came together to enjoy delicious food truck cuisine, local vendors, and of course, to share in the joy of Blues music, which included a lively lineup with everything from R&B, rock, Chicago Blues and much more.

NANAIMO BENEFITS

In 2023, the City of Nanaimo allocated its share of gambling revenue from hosting Casino Nanaimo to the Strategic Infrastructure Reserve (SIR) and toward reducing property taxes for community residents. The SIR provides funding for a variety of important initiatives and projects that contribute to the community.

In 2023, \$193,984 from the SIR provided funding for transportation improvements to increase pedestrian safety and comfort, and enhance transit stop and traffic signals accessibility. The fund also contributed \$111,100 for practice lights and security lighting to expand the hours of usage at Caledonia Park. About \$7,500 supported an Ecological Accounting Process (EAP) partnership to embed ecological accounting expertise within Vancouver Island University and \$141,032 was used for a deposit on a new emission-reducing fire apparatus unit for 20 new firefighters, arriving January 2025.
