**BCLC'S  
SOCIAL PURPOSE**

BCLC exists to generate win-wins for the greater good. We generate win-wins by asking our employees, partners, and government stakeholders to continually evaluate the impacts of all activities and decisions on individuals, institutions, communities and the planet. Motivated by our social purpose, every step we take is guided by our purpose and vision to 'revolutionize gambling entertainment through engaging experiences that build and benefit communities.'

**BCLC'S COMMITMENT  
TO RECONCILIATION**

Our operations span the entirety of the province that we now call British Columbia. We respectfully acknowledge that we are guests in the territories of more than 200 First Nations, each with unique traditions, cultures, and histories. We are grateful to these First Nations caretakers for their stewardship of these lands and waters since time immemorial.

BCLC is committed to establishing and maintaining good relations with all First Nations, Métis, and Inuit people in British Columbia and beyond. Our journey has only recently begun, and we have a lot of work to do in collaboration with Indigenous Peoples to understand the Truth, reconcile the past, and truly generate win-wins for the greater good, together.

## YOU PLAY

# QUESNEL BENEFITS

The Province of B.C. created BCLC 39 years ago with the purpose of giving back to British Columbians and to help communities grow. Since that time, thanks to our players, BCLC has delivered \$29 billion in net income to the province to support communities, provincial programs and essential services, charitable organizations and major events that have played a vital role in shaping the province.

Municipalities and First Nations that host gambling facilities use their share of provincial gambling revenue to fund local projects such as the construction of new facilities, improvements to parks, road maintenance, and the implementation of grant programs that aim to enhance the well-being of the community.

Since 1998, the City of Quesnel has received more than \$12 million in Host Local Government payments. Last year, the City of Quesnel received \$485,311 generated by Billy Barker Casino to fund local initiatives in the community.
