**BCLC'S
SOCIAL PURPOSE**

BCLC exists to generate win-wins for the greater good. We generate win-wins by asking our employees, partners, and government stakeholders to continually evaluate the impacts of all activities and decisions on individuals, institutions, communities and the planet. Motivated by our social purpose, every step we take is guided by our purpose and vision to 'revolutionize gambling entertainment through engaging experiences that build and benefit communities.'

**BCLC'S COMMITMENT
TO RECONCILIATION**

Our operations span the entirety of the province that we now call British Columbia. We respectfully acknowledge that we are guests in the territories of more than 200 First Nations, each with unique traditions, cultures, and histories. We are grateful to these First Nations caretakers for their stewardship of these lands and waters since time immemorial.

BCLC is committed to establishing and maintaining good relations with all First Nations, Métis, and Inuit people in British Columbia and beyond. Our journey has only recently begun, and we have a lot of work to do in collaboration with Indigenous Peoples to understand the Truth, reconcile the past, and truly generate win-wins for the greater good, together.

VERNON BENEFITS

In 2023, the City of Vernon used its share of provincial gambling revenue from Lake City Casino to support capital investments in technology, public safety, and community improvements.

This funding facilitated the purchase of three Fire and Rescue light-duty vehicles, the enhancement of storm drainage systems and an upgrade of financial and human resources software.

Additionally, improvements were made at Vernon Regional Airport and Okanagan Lake public access points. The BX Creek Sediment Structure project, which began in 2022, was also completed with this support.
