TOGETHER We Win

BCLC exists to generate win-wins for the greater good.

For over 40 years, we've been bringing people together through shared moments of entertainment. Now, we're taking it further by striving to put human connection at the heart of everything we do. From the games we design, to the partnerships we build, or the programs we support, it all comes back to one simple idea: we're better together, and together we win.

Burnaby Benefits

In 2024, the City of Burnaby invested over \$4.5 million from its share of provincial gambling revenue into key community infrastructure and services. A major investment of \$1.8 million supported ongoing work at the Burnaby Lake Pavilion Spectator Area. This project is revitalizing essential parts of the site—extending the service life of the grandstand, bridge pier, dock, and ramps—while expanding banquet hall space and updating guardrails and other aging components to meet current building standards.

Nearly \$1.7 million was used to fund the continued installation of electric vehicle (EV) charging stations at civic facilities, including locations like the Rosemary Brown Arena.

The City also contributed \$1 million to the Burnaby Hospital Foundation's *Proud History, Bright Future* campaign to support Phase 1 of the hospital's redevelopment.

LOCAL IMPACT

Burnaby Hospital Foundation

Last year, Grand Villa Casino Burnaby was proud to make the final payment to complete a multi-year partnership with the Burnaby Hospital Foundation towards the new Mental Health and Substance Use Zone (MHSU) at Burnaby Hospital. The GatewayGIVES commitment totaling \$50,000 will support patients with complex needs, including mental health and substance use issues.
