BCLC'S

Human Connection Project

BCLC is changing what a gambling organization can be. For more than 40 years, BCLC has brought people together through shared moments of entertainment and community. But for our players, partners, people and communities, we knew BCLC could do even more. So, we've decided to put human connection at the heart of everything we do. It means that we strive to develop products with purpose, co-create community-impact programs, and build partnerships that support happier and healthier communities.

BCLC is proud to support the Abbotsford Canucks as their Official Gaming Partner for the 2025-26 AHL season. Through the BCLC Community Heroes program, individuals from across the province who make a positive impact in their communities are recognized for their efforts.

As part of this partnership, selected heroes have the unique opportunity to participate in the Canucks' pre-game tradition of powering up the throttle, celebrating their contributions in front of a home crowd. The program highlights BCLC's ongoing commitment to acknowledging and celebrating those who give back in meaningful ways.
