BCLC'S

Human Connection Project

BCLC is changing what a gambling organization can be. For more than 40 years, BCLC has brought people together through shared moments of entertainment and community. But for our players, partners, people and communities, we knew BCLC could do even more. So, we've decided to put human connection at the heart of everything we do. It means that we strive to develop products with purpose, co-create community-impact programs, and build partnerships that support happier and healthier communities.

SPONSORSHIP

Hyack Summer Music and Fireworks Festival

BCLC proudly supported the Hyack Summer Music & Fireworks Festival, a signature end-of-summer celebration that brings the community together at the New Westminister Quay for an unforgettable day of live entertainment and waterfront festivities. The free, family-friendly event featured live music, artisan vendors, food trucks, and a vibrant marketplace atmosphere, culminating in a spectacular fireworks display over the Fraser River. The festival is produced by the Hyack Festival Association, a non-profit that has been dedicated to fostering "Spirit of Community" in New West through inclusive, multicultural, and intergenerational events since 1971.

New West Benefits

In 2025, funding generated through provincial gambling revenue supported a range of community-focused improvements across New Westminister, such as enhancing parks and recreation spaces, strengthening transportation corridors, and addressing key infrastructure needs.

Projects included the replacement of the Queen's Park artificial turf field, where a new technologically advanced material was installed that provides improved safety, performance, and durability for users. Two off-leash dog areas were relocated to better serve growing neighbourhoods, and the former petting farm in Queen's Park was transformed into a new habitat area that supports environmental education, biodiversity, and year-round programming.

Provincial Gambling revenue also contributed to the ongoing revitalization of Sixth Street as a "Great Street," with wider sidewalks, new trees, improved lighting, and flexible public spaces. A new public plaza on Belmont Street was also completed and offers a vibrant, accessible gathering place for the community.

LOCAL IMPACT
