BCLC'S

Human Connection Project

BCLC is changing what a gambling organization can be. For more than 40 years, BCLC has brought people together through shared moments of entertainment and community. But for our players, partners, people and communities, we knew BCLC could do even more. So, we've decided to put human connection at the heart of everything we do. It means that we strive to develop products with purpose, co-create community-impact programs, and build partnerships that support happier and healthier communities.

Penticton Benefits

In 2025, the City of Penticton allocated a portion of its provincial gambling revenue to support capital improvements focused on outdoor recreation and active transportation. This included dog park enhancements, additional bike lane signage, and the installation of Mobi Mats to improve beach accessibility. Gambling funds also supported debt servicing costs for parks, sports fields, and the fire hall bay, and asset sustainability reserves.

LOCAL IMPACT
Community Support

In April, the team at Cascades Casino Penticton sponsored the 13th annual United Way Drive-Thru Breakfast, which raised \$20,000 for food security and other local initiatives. The casino also sponsors the Ride for Dad cancer fundraiser and the Penticton Sunrise Rotary Club's Student of the Month program which recognizes outstanding students for exceptional achievements in academics, extracurricular activities, community involvement, leadership, and service to others.

Greater Good Giveaway

BCLC launched a new Scratch & Win ticket the "Greater Good Giveaway" which offers a Top Prize of \$10,000 for the winner and \$10,000 for their registered charity of choice, selected from a list of British Columbia charities on CanadaHelps. The ticket aligns strongly with our social purpose, to generate win-wins for the greater good, and we believe that when we share the wins, we are more connected to each other, our communities and our province.
