Re: Request for Records: BCLC File 21-001

British Columbia Lottery Corporation (BCLC) writes further to your January 26, 2021 request under B.C.'s *Freedom of Information and Protection of Privacy Act* (FIPPA) and BCLC's letter of same date.

You requested:

“... the records of total scratch and win tickets sold in the 2019 calender [sic] year, January 1 to December 31, as well as the total revenue generated from ticket sales and the total amount paid out to prize winners during that time frame”

In accordance with section 6(2) of FIPPA, BCLC has created a record (four pages), enclosed, in response to your request. The record represents the total number of Scratch & Win tickets sold by BCLC to lottery retailers, as well as net sales revenue derived therefrom, from January 1 through December 31, 2019, broken down by product, brand and sub-brand. Please note that BCLC does not track real-time sales data of tickets when they are sold to players. As such, the record shows Scratch & Win tickets that BCLC sells to lottery retailers, not ticket sales directly to players.

Further, some of the “Net Sales” and “No. Ticket” figures displayed in the record are negative amounts. These negative amounts indicate situations where BCLC buys tickets back from lottery retailers after the ticket is no longer being actively sold.

Regarding “the total amount paid out to prize winners,” the information you requested is held by BCLC according to its fiscal quarter rather than by calendar year. Accordingly, from December 30, 2018 through December 28, 2019, the total dollar value of Scratch & Win prize payouts was \$192,043,399. Although these dates differ only slightly from what you have requested, for BCLC to process this portion of your request as worded would unreasonably interfere with the day-to-day operations of BCLC within the meaning of section 6(2) of FIPPA. Accordingly, BCLC has not created an additional record in this regard.

These records will be published a minimum of five business days after release at:
<https://corporate.bclc.com/who-we-are/corporate-reports/reports-disclosures.html>

If you have any questions or concerns regarding BCLC's processing of your request, please contact me at CPenkert@bclc.com, via mail or at (250) 852-5370.

[Remainder of Page Intentionally Left Blank]

Additionally, under section 52 of FIPPA, you may ask the Information and Privacy Commissioner to review this reply to your request for information. You have 30 business days from the receipt of this notice to request a review by writing to:
