Re: Request for Records: BCLC File 21-035

British Columbia Lottery Corporation (BCLC) writes further to your September 3, 2021 request under B.C.'s *Freedom of Information and Protection of Privacy Act* (FIPPA) and BCLC's letter of same date.

Please note that BCLC's letter dated September 3, 2021 inaccurately stated that the date of your request was "September 30" when in fact it was dated September 3. This was an administrative error that did not affect BCLC's processing of your request, nor the stated response timeline in BCLC's letter.

You requested:

"...the number of times the numbers 1, 14, 17, 38 have been drawn in the keno game since the inception of the keno game by the bclc."

The information you have requested is publicly available to view, study, copy or download at the following link <https://www.playnow.com/keno/winning-numbers/>.

The Keno draw results available at the link above include all winning numbers for BCLC's current iteration of the Keno game, which began on November 26, 1995. BCLC has had two previous versions of the Keno game, respectively named "The PICK" and "BC Keno" that ran from time to time starting on January 11, 1988 until the introduction of BCLC's current iteration of Keno. BCLC does not have records of draw results from either The Pick nor BC Keno because, in accordance with B.C.'s *Information Management Act*, BCLC is no longer required to retain them.

This response will be published a minimum of five business days after release at:

If you have any questions or concerns regarding BCLC's processing of your request, please contact me at CPenkert@bclc.com, via mail or at (250) 852-5370.

Additionally, under section 52 of FIPPA, you may ask the Information and Privacy Commissioner to review this reply to your request for information. You have 30 business days from the receipt of this notice to request a review by writing to:
