Re: Request for Records: BCLC File 21-054

British Columbia Lottery Corporation (BCLC) writes further to your November 30, 2021 request under B.C.'s *Freedom of Information and Protection of Privacy Act* (FIPPA) and BCLC's letter of same date.

You requested:

"...all BCLC "corporate social responsibility assessment," or CRSA, for BCLC's three main branches - (online gaming, casinos, and lotteries) – from Jan. 1, 2019 to [November 30, 2021]."

The information you have requested is publicly available. For your convenience, you may access the records at the following links:

- [2019/2020 Social Responsibility Report](#)
- [2020/2021 Sustainability Report](#)

You will note that the title of the report has changed from "Social Responsibility" to "Sustainability." This reflects a change in name only; the subject matter of the reports is the same.

Additionally, to assist your understanding of BCLC's response, please note that BCLC does not produce separate corporate social responsibility/sustainability assessments for each channel of its business. Instead, BCLC publishes this information annually in a single report. BCLC does, however, conduct Community Impact Reports as they relate to specific municipalities that host gaming facilities in BC. To the extent these reports include an element of social responsibility, you may consider them responsive to your request. Those Community Impact Reports are available at the following link:

- [Community Impact Reports](#)

This response will be published a minimum of five business days after release at:

If you have any questions or concerns regarding BCLC's processing of your request, please contact me at CPenkert@bclc.com, via mail or at (250) 852-5370.

Additionally, under section 52 of FIPPA, you may ask the Information and Privacy Commissioner to review this reply to your request for information. You have 30 business days from the receipt of this notice to request a review by writing to:
