Re: Request for Records: BCLC File 22-019

---

British Columbia Lottery Corporation (BCLC) writes further to your May 30, 2022 request under B.C.'s *Freedom of Information and Protection of Privacy Act* (FIPPA) and BCLC's letter dated June 8, 2022.

You requested:

"The revenue of every current lottery retailer in BC from January 1, 2021 to May 17, 2022."

BCLC is interpreting "revenue" in your request wording to mean "gross sales of lottery products." In accordance with section 6(2) of FIPPA, BCLC has created an 84-page record, enclosed, in response to your request. The enclosed record represents a list of every active lottery retailer in B.C., and their associated gross sales from lottery products, from January 1, 2021 to May 17, 2022.

Some information in the enclosed record has been withheld from disclosure under sections 17, 19 and 21 of FIPPA.

Below are the reasons for withholding information under each of the exceptions to disclosure noted.

**Section 17 (harm to the financial or economic interests of BCLC)**

The information withheld under this section consists of financial and commercial information that belongs to BCLC and that has, or is likely to have, monetary value. Disclosure of this information would be harmful to BCLC's financial or economic interests because it could reasonably be expected to harm its negotiating position with each of its current lottery retailers, as well as prospective lottery retailers.

**Section 19 (harm to individual or public safety)**

Disclosure of gross lottery sales figures could result in the targeting of lottery retailers based on their respective sales of lottery products because those figures could indicate which retailers are most likely to have higher levels of cash on-hand as a result of their lottery sales. Accordingly, if disclosed, the information withheld under this section would be harmful to individual or public safety because it is reasonably likely to result in employees and customers of lottery retail stores being placed at an increased risk of becoming victims of a crimes, such as robbery, and suffering harm as a result.

**Section 21 (harm to business interests of a third party)**

The information withheld under this section consists of third-party commercial and financial information that was provided, in confidence, to BCLC. Disclosure of this information could reasonably be expected to significantly harm the competitive position or interfere with the negotiating position of numerous third parties, thereby harming the business interests of those third parties.

If you have any questions or concerns regarding BCLC's processing of your request, please contact me at [ksimcoe@bcl.com](mailto:ksimcoe@bcl.com), via mail or at (250) 852-5228.

Additionally, under section 52 of FIPPA, you may ask the Information and Privacy Commissioner to review this reply to your request for information. You have 30 business days from the receipt of this notice to request a review by writing to:
